

Homework #2: Algebra, loops and branching**Due: 5:00 PM 09/09/16**

Please read the following questions carefully and make sure to answer the Parts completely. In your MATLAB script(s), please include these questions and part numbers with your answers. Then use the *Publish* function in MATLAB to publish your script to a *pdf* document. See bottom of page for instructions on uploading your document to blackboard.

Part 1 (30 pts.)**Part 2 (30 pts.)****Part 3 (20 pts.)****Part 4 (20 pts.)**

Upload your *pdf* file to the blackboard under Assignment #2. Your filename should be *GEOS397_HW2_Lastname.pdf*.
Hint: You can achieve this automatically by calling your MATLAB script *GEOS397_HW2_Lastname.m*.
